VISION

Inspired by St Mary McKillop, we live learning, in a community of faith and love.

MISSION

We strive to ensure that our community feels secure by providing a positive school environment that is safe and without risks to health and well-being.

SAFETY

We strive for equity and justice as we take responsibility for our actions and endeavour to act justly as stewards of creation, within a global community.

RESPONSIBILITY

We encourage individuals to strive to be successful learners who pursue excellence through a vibrant, creative, challenging, Catholic curriculum that is visible, active and interactive to construct knowledge and meaning.

LEARNING

Our community is built on the belief that each person is made in the image and likeness of God and so we foster relationships, cooperation, collaboration, communication and support. All interactions within our school, whether staff, students, parents, parishioners and visitors to our school, is respectful at all times.
